

Final Conference

ADULT LEARNING : National and European challenge Athens, 16 October 2016

The **General Secretariat for Lifelong Learning and Youth** is organizing the Final Conference within the framework of the European Agenda for Adult Learning in Greece, during which the stakeholders will discuss and present the actions implemented by the Greek Coordination Group during the period 2015-2017.

In particular, the aims and perspectives of Adult Education will be presented as follows:

- European and national policies on education and training
- The Challenges for Adult Vocational Education and Training
- The stakeholders' role in policy shaping and implementation on key competences
- Tools for Adult Learning Stakeholders at National and European level
